As The Gater Sees It....

By FRANK SCHWASS

The deluge of political propaganda which is now offending the aesthetic sensibilities of the Student Body has proven a God-send to ennui- ridden students. The election cards with the pictures are especially welcome to the aforementioned pupils. With the aid of a bit of ink and a dash of imagination, the solemn visages adoring these pasteboard pleas are transfigured into good likenesses of Hitler, Groucho Marx, and Public Enemy No. 1. Mustaches and Van Dykes adorn the faces of fair young ladies and well-groomed men. Even glasses and trick hair-combs are added to give further incongruous effects. It begins to look as though the campaign won't be as dead as it appeared at first.

* * *

Those students interested in seeing Madame as she should look when well-groomed will be delighted to hear that a Miss Ann Corke will bring her company of models to Frederic Burk Auditorium come next Tuesday at 12 o'clock. According to advance publicity, the fashion show will consist of models in bathing suits, evening gowns, active sports, beachwear, summer gowns, and bathing suits. Miss Corke will give a description of each model or rather, each creation, as it is presented. The admission price is ten cents and the show promises to present some really tres distingoo rigs—but tres chic. Incidentally, the show is being presented under the auspices of the Pre-Nursing Club.

The Forensic Council of San Francisco State will be hosts to contestants in the Fifth Annual High School Debate Tournament to be held here tomorrow. According to a Mr. Van Houte, there will be forty debates going on at one time during the tournament, because of the large number of participants. It is expected that this volume of chatter will be second only to that carried on between two groups of co-eds in adjoining booths in the Co-op. It is suggested at this time that the smoking committee look into the question of lighting fags during the debates. One match in the midst of all that gas and . . .

"Spring", so it is alleged, will be the theme of the semi-annual gathering of members of the Greek Letter societies tonight in the Music Room. The whole thing brings to mind those news-reels of rather large young ladies leaping about on the grass whilst waving pieces of cheese cloth in the air, looking like so many anaemic Indians about to harass patient pioneers. The Scup Scoff frats do not plan on any such expression of esthetic brimming-over however and their evening will consist of conventional dancing, games, and refreshments. It is hoped that some day in the future, through the good offices of the Greek Letter society, a return may be made to the Golden Age of Greece and we can stroll about with comfort in sheets of tattle-tale gray.

Mr. T. Guiney, ebbulient publicity director for the Inaugural Ball, has cooked up a scheme whereby the directors of the Co-op will create an Inaugural Special—reputedly a salad—to publicize the dance. The delicacy will probably consist of chopped cabbage, diced lettuce, a dash of strained turnip juice, a large scoop of mashed parsnips, and the whole surmounted by a strip of local cheese. It is also rumored that aspiring merchants in the vicinity have concocted an Inaugural Special Coke—or maybe it was lime juice.

Immediate purpose of the meeting will be to present plans for the avoidance of American entanglements in the threatened European conflagration. "We hope," stated Bob Van Houte, chairman of the rally, "to start the process of arming and armoring the college students against the propaganda that accompanies war fever."

Van Houte announced that five speakers will be presented at the meeting, including Dr. Alexander C. Roberts, president of the College; Mrs. Bertha Monroe and Muriel Senk. Van Houte will talk on the erection of a monument of those who are to die in the next war.

"I believe that all those who are opposed to war and are in favor of peace should attend this meeting," declared Van Houte, "to show definitely that the youth of America refuses to go to war."

All students are invited to attend the rally.

PREP SCHOOLS MEET IN DEBATE TOURNEY HERE TOMORROW

Oratory and Extempore Speaking Contests Held Promises Van Houte

High school students from as far north as Chiloquin, Dallas, and Corvallis, Oregon, and as far south as Santa Monica and Modesto will gather at San Francisco State tomorrow from 8:45 in the morning 'till 9:30 at night to participate in the Fifth Annual High School Debate Tournament sponsored by the Forensic Council.

The forensic representatives from the most distant point from State will be the two squads from Dallas, Oregon, High School. They are Mildred Voth, Betty Smith, Evelyn Ickes, and Elvin Van Santen. Chiloquin, Oregon, High School is sending only one speaker, Ida Giacomelli, who will participate in the Oratory part of the sweepstakes tournament.

Forty Teams

Over forty teams have registered for the tourney, making it necessary for the Tournament Chairman, Bob Van Houte, to schedule over 240 debates for the day. Each debate will last an hour, forty debates going on at a time. Debates are arranged on a round-robin schedule.

Lowell High School, last year's Sweepstakes winner, is favored to repeat their last performance by sheer force of the number of their fifteen teams, if not by the superior quality of their arguments. Santa Monica High, winners of several Southern California debate tourneys, is also a heavy favorite to place either first or second.

Other schools with opportunity to place high in the final decisions are Santa Rosa, Dallas, Oregon, Chiloquin, Oregon, Corvallis, Oregon, St. Joseph Presentation of Berkeley, Presentation High of San Francisco, George Washington High of San Francisco, Ripon High, Modesto

On Sunday, May 1, Newman will have a picnic to Saint Mary's College in Moraga. Plans for this event are being formulated.

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

What About Peace? . . .

Perennial subject for student paper editorials is the gory god, Mars. Lampooned in cartoons and columns, eulogized in history books as righteous defender of Faith and political creed, the bearded, be-armored gentleman still does a landoffice business. Recent trends in peace movements have still made heroes of one side and villains of the other.

It is this stupidity of the partisan pacifists, that results in the continuance of bombing and sieges in Spain and more of the same in China. We call the loyalists brave and good, the rebels bad and cruel; the Japanese are aggressors, the Chinese are defenders of grand tradition. This is the fodder of the pacifist, these are the horrors he tosses at his subjects, with these he converts his acolytes.

The Whole Truth? . . .

Are these the facts that should be presented? Well, they hold up a truth, but why can't we state the truth instead of veiled evidence of that truth. The fact is that Capitalism as a theory and practice of Government is based on internal and eventually external imperialism. Imperialism is based on forceful subjugation and exploitation of land, which postulates the same fate for those who have the ill-fortune to dwell on that land.

We are advocating no change, we are not playing at being neither Communists or Socialists. We merely tire of the stockholders in the corporation that is the United States making small talk about war and is it nasty.

Of course loyal "Americans" will jump at our throats for thus calumniating the land of Old Glory. Let us bring one example to act as proof of our contention that War is bigger than nations, bigger and more powerful even than that Old Glory and Uncle Sam. England has just arranged a pact with Italy which allows British capital to be loaned to the Italian Government. We only have to note the race for power in the Mediterranean to figure out what such money will be used for. Should it, by chance, go to construct warships, British-financed ships and guns may one day point at British sailors on the other English-financed ships, ironic, isn't it.

Economics Are That Way . . .

We realize that economics knows no national boundaries; we are cognizant of the fact that no class in economic control recognizes national boundaries. It is manifest that any group, be it a government or an isolated class, which controls both the production goods and means of communication will not be of altruistic nature.

So we conclude that peace movements are superfluous so long as the economic policy of the world as a unit postulates exploitation.

GATER SURVEYS FIELD FINDS FEW CANDIDATES

Editors note—This is an unofficial story on candidates for Student Body offices at the coming election. The survey is made merely to aid the readers of the paper and has no official bearing whatsoever

In the Spring a young man's, and a young lady's, fancy lightly turns to thoughts of running for a student body office. To prevent these fancies from spinning too rapidly and kicking up a young whirlwind, the Executive Board has decreed that the candidates can not give away any merchandise or use the post office boxes for the purpose of furthering information about themselves. Hence the Golden Gater steps in with a few thumb-nail sketches.

PRESIDENTIAL RACE

One of the candidates straining at the barrier in the presidential race is Ed Smith, a low senior. Ed came to State from an Arizona high school and wasn't long in stepping into the limelight. He was elected president of the freshman class twice, and took an interest in journalism. Besides being a columnist and managing editor of the Gater, Ed swiveled around in the Sports Editor's chair for a year. He has shown a definite interest in athletics too, playing basketball and intramural football, and holding the positions of basketball manager, football manager, athletic manager and representative to the Athletic Council. Ed is a member of the Block "S" society and Alpha Phi Gamma.

Cliff Worth, also a low senior, has displayed his interest in student body activities by serving on many committees. Cliff, a member of Delta Sigma, also belongs to Alpha Phi Gamma, and has been a feature writer, managing editor, assistant editor, and finally Editor of the Gater. He has been a member of the varsity debate squad and won the debating award two years ago. Writing for the Franciscan has been another of his accomplishments. He has been announcer of the football broadcasts and is now acting as chairman on the committee for San Francisco State College participation in the 1939 Fair.

Norman Zech is a member of the high junior class and is one of State's foremost musicians. He was president of the Music Federation last fall and is now Concert Manager of the same organization. Both he and Ed Smith have served on the Strategy Committee with Will Smith and Bud Decker. He also organized State's marching band; drilled it and Drum Majored it. Off the campus, Norm has been very active in De Molay, having worked his way through their many official positions, as well as organizing a marching unit for them.

HURNING AND STEWART

Two pretty Easter bonnets have come to rest in the vice-presidential ring. One belongs to Sibyl Hurning, a high junior. Sibyl is a transfer from San Francisco Junior College and has been at State only a year. However, in that very short time she has been quite active on the campus. She is a member of the American Newspaper Guild and Alpha Phi Gamma, as well as the Scribes Club. Sibyl is the business manager of the Orphic and associate editor of the 1938 Franciscan.

Audrey Stewart, P. E. major, has been very active in many dance committees. She was dance director of last year's "Showboat," and the recent "Character." Audrey is a member of Kappa Delta Tau, Epsilon Mu and the Advisory Council. She is an active member of the W.A.A. and is the present secretary of the senior class.

THE BATTLE FOR THE PEN

The battle for the secretary's office is being waged by Almarie Porteous and Evvie Stadelman. Almarie Porteous is a transfer from San Jose State, where she was very active in dramatics and journalism. Coming to State, Almarie has continued her journalistic activities and added a few managerial positions to her list. She is the present managing editor of the Gater and is a member of Alpha Phi Gamma, and Alpha Mu Gamma. She is also secretary of Sigma Rho Gamma and recently was elected secretary of the Board of Publications. Almarie is publicity director of Phi Lambda Chi and staff assistant of the Franciscan.

Evelyn Stadelman is an active member of W.A.A. and was recently A.W.S. representative. She is a member of Kappa Delta Tau and is pleged to Phi Lambda Chi. Evelyn is a past president of W. A. A. and held the secretary's offfice in that organization only last semester. Her work in the A.W.S. and W.A.A. has made her one of the well known campus figures.

OUELLETTE UNOPPOSED

Vernon Ouellette, widely known State yell leader, is again campaigning for the position of that passion initiator, the yell leader. Mr. Ouellette is well qualified for the office by reason of his past experience. He has had a part in State's gayer activities through his status as assistant yell leader, class yell leader, and chairman of the Rally Committee. Vernon has supplemented these activities with his participation in four seasons of basketball and two seasons of track.

ANOTHER MARTIN RISES

Jim Martin, brother of Harold Martin, former Gater Sports Editor and present Director of Publicity for the college, has thrown his hat into the political maelstrom as the only candidate for the office of Director of Publications. He has held the position of Gater Sports Editor and is editor-in-chief of the Guild Recorder. A high sophomore, he is a member of the News Guild and Alpha Phi Gamma and has been on the boxing and golf teams.

REES HAS IT EASY

Vernon Rees, recently brought under the spotlight because of his authorship and directorship of the Junior Fantasy, "The Character," is running for the position of student body treasurer. He has been president of the junior class, member of the student body council, student body yell leader, member of the glee club, president of A.M.S., College Theater treasurer, and member of the following committees: publications, A.M.S. Tag Day, hazing Frosh reception, brawl, Soph Strut sales, and Inaugural Ball. In athletics he has taken part in football and boxing.

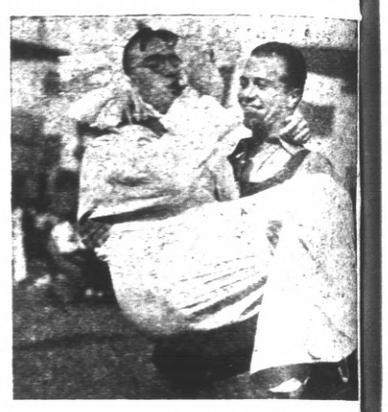
From This Side

By TIM GUINEY

We see by the papers that a Mr. Bud Decker has been eminently successful in getting his amendment to the constitution relative to presenting the California Student Teacher's Federation with a vote on the Executive Board past that worthy body. Now, it will be up to the Student Body in Wednesday's election.

For our part, we can't think of any good reason in the world why this organization should be given a vote, but unless this student body snaps out of its usual lethargy in a hurry, it will be caught flat-footed, and another group will have been given a vote, adding to the unbalanced system of voting already manifest on the board.

While the organization itself is no doubt one of very fine ideals, this can hardly be a legitimate reason for presenting it with a handsome bouquet in the form of a voting representative at Executive Council meetings.



BUD DECKER
Getting Sympathy Vote

We certainly can't blame Mr. Decker for trying to put this one over, because the Mr. Decker that we know would chortle with glee should the general student body vote affirmatively on this poignant question. The kid gets a kick out of that kind of thing.

Look at the present system of representation on the Board, and think it over before you cast your ballot.

Don't Forget The Track Meet At Kezar

SAY IT ISN'T SO

BY ALEX EDELSTEIN
Sports Editor

A State College Association to promote athletic activities among California state schools was in the early process of formation April 11 at Santa Barbara, according to Associated press reports.

Representatives of four State colleges met to discuss organization of the association. Colleges represented were Fresno State, Santa Barbara State, San Diego State, and San Jose State.

San Francisco State representatives were conspicuous by their absence. Page Messrs. Cox, Farmer, and Harden.

At a meeting two weeks ago today, the Block "S" society announced their intention of investigating thoroughly the Block "S" awards system. In a talk with Coach Hal Harden, President Charles Iago questioned him concerning the awards system and asked for opinions. Mr. Harden agreed as to the inadequacy of the system, but was only specific concerning the tennis question. "There is no reason why tennis blocks should not be awarded on the same basis as track blocks, inasmuch as tennis is as much an individual sport as track," Harden stated. "However, that is a matter for the executive board to decide."

Mr. Iago also stated that investigation was under way concerning managers' blocks. As Mr. Rose, manager's block winner, was the chief opponent of the new plan, Iago placed the investigation under his direction.

"We wuz robbed" is the statement of the Gater ball team, concerning their recent loss to Santa Rosa Junior College on the Santa Rosan's grounds. If the players' reports are only half true, then State had plenty of cause for complaint. Believing them implicitly, it resolves into a definite case of robbery. In that 12-11 slugfest the Santa Rosans were presented with at least two runs, while the umpire did not give the State baserunners a break the whole day. It's a —— of a thing when a visiting team can't be given an even break. According to authentic reports, Coach Hal Harden was plenty "burnt." All of which brings to the mind's eye the Ukiah basketball game, not so long ago . . . in our memory.

According to reports, Hal Beseman has received an offer from the Chicago Bears. Technically, it is only a questionnaire, but it amounts to the same thing. Mr. Halas, President of the Bears, must think that Hal has something on the ball, or he would not have bothered with him.

When questioned by your scribe, Hal declared, "Sure I mailed a reply. I'm expecting an answer some time this week, maybe a contract. Five thousand dollars a year isn't hay."

And to get our two cents worth in, Stanford 67, California 64, in the big meet. Tab Malott to win the 220 and 440 to give the Cards victory.

Thelma Rastad Wins Ping Pong Title; Beats Resnick

Thelma Rastad emerged victorious in the women's ping pong singles tournament, when she downed Bernice Resnick, a seeded player, by scores of 21-14, 21-14, 21-18. Thelma proved too steady and cool for Miss Resnick, who is erratic at times.

In her march toward the championship, she defeated Virginia Gildea and Carolyn Searles, both top-seeded players who had been figured to approach the finals.

Skaters "Faw Down N' Go Boom" At Ice Party

Laughing while taking spills, more than two hundred State students gayly flashed across the ice at the huge Easter ice skating party Thursday, April 13, held in the San Francisco Ice Rink, 48th and Kirkham Streets.

Due to the fact that Thursday was a holiday, the party was the longest held this year, lasting for two and a half hours. The rink opened at 9:30 and students kept coming until 11:30. Many late comers had to wait while the attendants scraped the ice, an unusual occurrence, since the usual attendance is never large enough to warrant clearing off the water that accumulates during a session.

According to Professor Lukeout Forde Backwash, the Carnival was a great success. In a contest sponsored by the Almagated Pants company, Amy Sidonit captured the "skating on your butt" championship of the San Francisco Ice Rink. Those who "sat" in the running for most of the contest were "Double J" Smith, student body president, and "Down" Wilson, vice prexy.

The vi-sit was the first to the rink for the runners up (I mean down). Athene Sassy, responsible for the gala occasion, declared that he was working for sitter and setter ice hockey sittings. He also sled that he was sitin that everyone had a grand time.

SPRAWL!

GUESS WHO?

NINE LOSES TO MARIN, SAN MATEO

* * * * * *

STATE NETMEN DEFEAT BRONCOS 5-4; PLAY AGAIN TODAY

George Maihlo faltered in the ninth inning, allowing four runs, as the San Mateo J. C. Bulldogs handed the Gater nine a 12-8 defeat Wednesday at Roberts Field.

After Ru Stone left the mound in the fifth inning, the Mateans led 4-3, but State rallied to go ahead 6-4. The Bulldogs came back to lead 8-6, but Frank Buchanan's double to right field with the bags loaded tied up the game for State in the eighth canto.

Don McRitchie, first baseman for the Gaters, led the hitters getting four hits in four official trips to the plate.

Scoring three runs in the seventh inning, Marin Junior College defeated the Tide nine 4 to 2 last Tuesday at Kentfield.

A home run by Carl Hoberg with "Molly" Adams on base and an error by Billy Hammond accounted for three tallies. Marin scored in the first inning on an error by Al Cleary and a single by Johnny Allen, negro shortstop.

State tallied twice in the first stanza when George Mailho clouted a four-bagger, scoring "Spider" Turner ahead of him.

Los Lazarillos Hike

Los Lazarillos, local Spanish students, will meet today for their semi-annual hike and weenie roast at Land's End.

BADMINTON PLAY GETS UNDERWAY

First-round matches in the current mixed doubles badminton tournament will be completed Monday at noon in the gym, with three being required to complete the round.

Following are the teams scheduled to take the court at that time: Virginia Gildea-Bob Osegueda vs. June McMullen-Jack Fisher; Kay True-Ken Kim vs. Mary Anne Chapman-Cleon Abbott; Josephine Flannigan-Doug Crary vs. Roberta Porter-Bob Cumming; and "Joe" Foley-Rue Stone vs. Dorothy Fitzgerald-Jack Martin (second round match).

BLOCKMEN DISCUSS AWARD SYSTEM

The Block "S" Society of San Francisco State will hold a special meeting next Tuesday, April 26, in Room 118, at 12:15 p. m. to discuss a new block award system which will be voted on Wednesday by the men students as well as the selecting of new block designs to cope with the proposed amendment to the Constitution in regard to the Block "S" Award System.

Santa Clara's white-clad netmen come to town this afternoon in an attempt to gain revenge on the Gaters for last week's 5-4 defeat. Play will start at two o'clock at the Palace of Fine Arts courts.

The Broncos succumbed only after three hours of hard-fought play and with a few breaks might cop a victory this time. Rod Kavanagh, on the other hand, may play for State today, whereas his services were not available when the two squads met previously.

Proof of the fallacy of using comparative scores is shown by Santa Clara's victory ever U. S. F., while the Dons triumphed over the Gaters twice by comparatively easy scores.

Scores of the Bronco match follow:

CINDERMEN MEET CHICO STATE AT KEZAR TOMORROW; HOPKINS, THEOFIELD, STEIN LEAD GATERS

San Francisco State cindermen will go up against their toughest foe of the season when they tangle with the Chico State Wildcats in Kezar Stadium tomorrow afternoon. Reports have it that Bus McCormick, Chico coach, is bringing down the strongest squad in the history of the school.

The Wildcats will be led by Benny Reams, 9.8 sprinter and 24 flat low hurdle, who with Herman Kostic, Paul Dallas and Pat Sullivan, form the nucleus of the Wildcat squad. Kostis was timed in 2.02 last week in the half mile and should give Arvo Kannisto his toughest race of the year. Dallas has run 51 flat consistently this year in the 440 and will also match strides with Arvo Kannisto, who will double up in the quarter and half mile. Frank Collin and Jim Hopkins of State will furnish added competition.

Sullivan, the fourth of the quartet of Chico stars, is expected to trim Luther Theofield of State in the broad jump, having jumped over 23 feet consistently this year. Theofield has a best mark of 22 feet seven inches so far this season.

Probably the best race of the day will be the century, where Luther Theofield, Gater star, will tangle with Ben Reams and his younger brother Paul. The northerners have declared that Chico will go one-two in this event.

As an indication of the strength of the Wildcats from the North, all-Far Western Conference two-mile champ Ralph Herman is listed as just another man. Herman is slated to meet Gater Fred Kline in the eight-lap event, and is conceded the edge, as Kline must run the mile at the opening of the meet.

Daryl Hopkins, who was barely beaten by Reams in the low hurdles last year, is set for the biggest upset of the season, when he clashes with Reams again. Hoppy's best time this year is 24.9.

Field events will also command a great amount of attention, when Socrates Pantages and Bill Stein of the Gaters tangle in the shot and discus with Ivan Campbell. Stein got off his best heave of the season last Saturday when he threw the platter almost 134 feet.

certain to gain the semi-final round. The All-Stars and the Golden Gaters —the only other squads that have shown sufficient interest—will probably meet in the other semi-final.

Girls Make Trip To Point Reyes; W.A.A. Has Week

Twenty-five girls will rough it in the strict sense of the word when the group will travel to the Berta Bolander residence at Point Reyes. Girls interested in making the trip should trot over to the gym immediately and see if there is still room for they and their's.

Bathing suits, a sleeping bag or plenty of blankets, and mosquito netting, along with two dollars, are the fundamental requirements. The money covers transportation, room and board. According to those in the know, there's never a dull moment. Another of the requisites is that the girls must be able to take their turns at cooking and doing the chores.

The week beginning May 9th has been set aside as W.A.A. week, during which time the following events will take place: W.A.A. vs. faculty in baseball; Miss Betty Blodgett's speech on "The American Youth Hostile Movement." A noon dance, a sportnite Wednesday night, a faculty day on Wednesday and the Inauguration dinner will fill out the fastivities.

The inauguration dinner is on Thursday, May 12, at the Western Women's club. Mr. Louis Blumenthal, Director of the Jewish Community Center, will be the guest speaker of the evening. Reservations may be had by signing up on the roster in the gym. The fee of one dollar is payable in advance to the W.A.A. treasurer.

GOLFERS BEATEN; AGGIES WIN 4½-1½

State's newly organized golf squad was beaten by a strong California Aggie team last Saturday morning at Davis by a score of 4½ to 1½.

Dick Hawkins, playing as number one man for the Gaters, lost 1½-0 to Bert Wetzel of the Mustangs. Dave Schutz, State's number two, lost by an identical score to Bob Chetsley, who defeated Lawson Little in the California Open a few years ago. Art Cerf also lost his match 1½-0 to the Aggie's third man, while Doc Smith won his match to gain State's only points.

College of Pacific has scheduled a home and home series with the Gater divot diggers. The first battle will be held on the Stockton Municipal Course, May 7.

Gaters Vie With Wackers Today In Intramural Tilt

Intramural baseballers return to the wars today when the Golden Gater nine crosses bats with the Wackers on the upper field at noon. Because of the failure of team managers to have their teams appear, there have been several defaults.

As it now appears, the Block "S" and the Eighty-Twos are almost
